The draft manual looks good. Of particular importance to Security Analysis Group are paragraphs 23-27 regarding the reporting of contact by individuals holding APEX approvals. Reporting requirements include:

a. All nonofficial contact with Communist Bloc citizens or representatives. WHAT ABOUT OFFICIAL CONTACT?

b. Close and continuing or regular and frequent contact with other foreign nationals.

c. Contact with any person showing undue interest in the employment, duties, etc., of an APEX cleared person.

Reporting is through the contractor's security office to the United States Government sponsor.

The trick will be to get procedures established so that the reporting, especially with Bloc foreign nationals, will get to the attention of Security Analysis Group for traces and analysis.

I agree - will have to work with designated SOs.
